SOLS INCLINATIONS LTD

# COMPANY PROFILE.

# 2026

# INTRODUCTION:

**Sols Inclinations Limited** is an event management firm. Operating in East and Central Africa for over two decades. We are based in Oloolua Forest Front, Forest Line road, having recently relocated from Nairobi International Trade Fair grounds. We carry out projects in both indoors and outdoors venues.

## Our Mission

To provide quality solutions to the Meetings, Incentive Travel, Conferencing and Exhibition Industries (M.I.C.E) across Africa.

## Our vision

To become a One-Stop shop for event management, exhibitions, staging and display needs for interested individuals and organizations.

## Our Commitment

It begun with a commitment to develop the exhibitor and trade fair industry in East and Central Africa. Since incorporation in 1997, we have now grown to carry out market research, identify a project, check its viability and effect it. Sols Inclinations commitment is by constructing, hosting and managing Substantial trade exhibitions. In addition we have continually provided quality, innovative promotional displays and branding solutions to our clients.

## The Team

The right teams make successful companies and Sols Inclinations is backed by a strong team that is dedicated to delivering first-rate services and products to solve all our client's exhibit services, conferencing & hosting, large format printing, and custom display solutions.

## Our Services

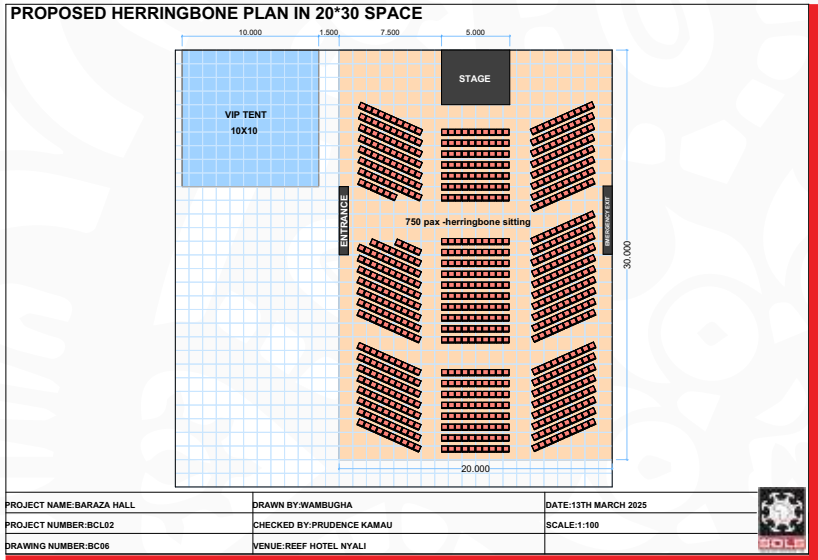

Sols Inclinations Limited is a solution provider to the Meetings, Incentives, Conferencing and Exhibition Industries, operating in East and Central Africa region, which has been in the market for over three decades.

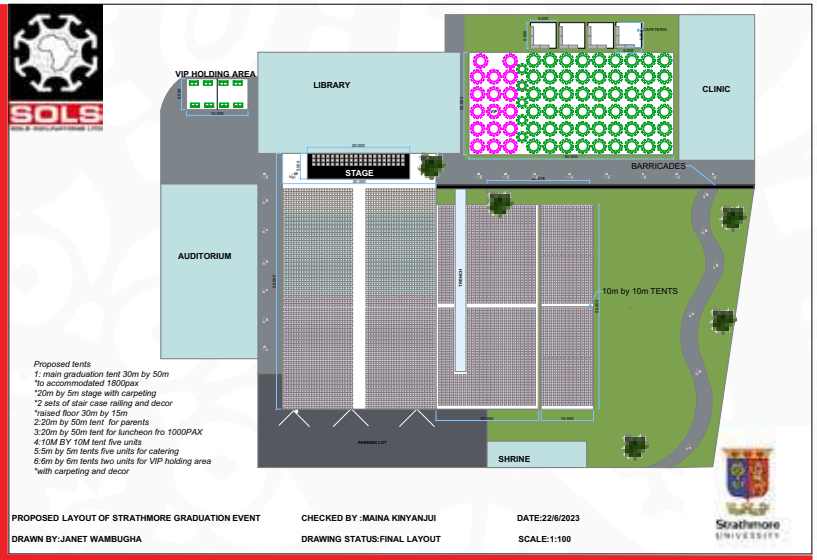

# We offer the following services:

- Events research and development
- Events Management
- Trade Fair and Exhibition Design
- Shell scheme constructions
- Conference & Meetings Media Services
- Road shows
- Product launches and Gala set-up
- Large format printing of banners, branding graphics, flags, billboards, wheel covers and buntings
- Custom build stands, exhibition floors, back walls and stages, wall murals, point of sale display
- Pagoda and A-frame tents

# Floor plans and shell scheme

We design floor plans, layouts and construct shell schemes for exhibitions, trade fairs, summits and special events. The Sols Inclinations team manages all design from conceptualization to site work to ensure our client's vision is translated correctly

# Design & Construction of Custom Exhibition Booths

**Sols Inclinations Limited** is a premier provider of **custom exhibition booth solutions,** offering **comprehensive design and construction services** that incorporate fabrication, welding, spray painting, and expert carpentry. Strategically located in a clean, secure environment, our operations are supported by **a fully equipped workshop**, an experienced team of **skilled professionals, a modern showroom, and efficient storage facilities**. We are committed to delivering **innovative, high-quality, and visually compelling** structures that enhance **brand presence** and meet the unique needs of each client with **precision and professionalism.**

# Print Shop

Sols Inclinations large format printing services cater to the growing exhibition, advertising and events industries. We offer top quality prints and finish and are able to redefine exhibition stand design as well as point of sale displays with our Tension Fabric Systems. We have top of the range printers, highly skilled staff and access to raw materials which allows for efficiency.

# Exhibition Furniture

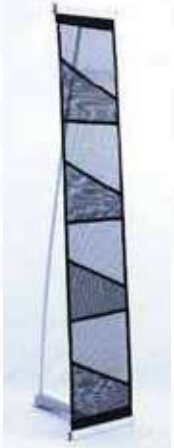

We offer custom solutions to clients through a variety of products for hire. These include but are not limited to exhibition stands, tables, seating options, carpets, drapery, potted plants, reception counters, free standing display units, light boxes, display plinths, literature racks, and showcases.

# Set design, backdrops and back walls

This is the creation of theatrical, film and television scenery. Sols Inclinations offers services in the construction of stages, runways, podiums; this entails design and construction as per the client's brief. Our highly skilled staff aims to fulfill the client's needs both creatively and efficiently.
